**OPEN AUDITIONS - Monday, June 24<sup>th</sup> from 10:00am until Noon**

All children entering 2<sup>nd</sup> grade through 12<sup>th</sup> grade may audition. There is no limit to the number of children who may audition and every child at the audition has an equal chance of being cast. This will provide a more “real-life” experience and will allow the Missoula team the opportunity to choose the child that best fits each role from the array of children who attend the audition process.

The open audition will be conducted by the two Missoula Childrens Theater - Tour Actor/Directors (TADs) who will choose a cast of 50-60 children. If more than 60 children audition, not all the children auditioning will receive a part. Casting the show will be at the sole discretion of the Missoula TADs and roles will be announced at the end of the audition. The TADs will make sure that no one is singled out while doing their best to ensure that everyone leaves with a positive feeling.

If your child is chosen for a part, they will receive their practice schedule before leaving the audition. Rehearsals will be held during the week beginning Monday afternoon for a few of the parts. Rehearsals will continue all week with a dress rehearsal Saturday morning before the community performance at 2:00pm.

If your child has an afternoon rehearsal scheduled, they will need to bring lunch. No other food or drinks will be provided or allowed during rehearsals. Cell phones must be silenced during rehearsals.

***There is no charge for this camp.***
